

**A home shouldn't
cost anywhere near
half your paycheck.**

**Help Habitat make the #CostOfHome
something we all can afford.**

For best color quality, we recommend
using a commercial print shop.

**1 in 6 U.S. households
pay half or more of their
income on housing.**

**Let's do something
about it.**

**Help Habitat make the #CostOfHome
something we all can afford.**

For best color quality, we recommend
using a commercial print shop.

**A safe home.
Nutritious food.
Health care.
Reliable transportation.**

Which would you choose?

**Help Habitat make the #CostOfHome
something we all can afford.**

For best color quality, we recommend
using a commercial print shop.

Help make the
#CostOfHome
something we
all can afford.

For best color quality, we recommend
using a commercial print shop.

**I'm working to ensure
that no family has to pay
anywhere near half their
paycheck for housing.**

**Help Habitat make the #CostOfHome
something we all can afford.**

For best color quality, we recommend
using a commercial print shop.

I am working to increase home affordability by influencing policies and systems focused on:

- **Supply and preservation**
- **Access to credit**
- **Land use**
- **Communities of opportunity**

Help Habitat make the #CostOfHome something we all can afford.

For best color quality, we recommend using a commercial print shop.
